Introduction

Elissa D. Miller, the chapter 7 trustee of the bankruptcy estate of Girardi Keese (the "**Trustee**"), with the assistance of her advisors, has filed the Schedules of Assets and Liabilities (the "**Schedules**") and Statement of Financial Affairs (the "**Statements**," and together with the Schedules, the "**Schedules and Statements**") on behalf of Girardi Keese (the "**Debtor**"). Pursuant to the Court's order entered February 24, 2021, Docket No. 220, the Trustee filed the Schedules and Statements with the United States Bankruptcy Court for the Central District of California (the "**Bankruptcy Court**"), pursuant to the United States Bankruptcy Code (the "**Bankruptcy Code**") and Rule 1007(k) of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**").

These Global Notes, Methodology, and Specific Disclosures Regarding the Debtor's Schedules of Assets and Liabilities and Statement of Financial Affairs (the "**Global Notes**") pertain to, are incorporated by reference in, and comprise an integral part of the Debtor's Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

In preparing the Schedules and Statements, the Trustee relied upon information derived from the Debtor's books and records that were available at the time of such preparation. Suffice it to say that the Debtor's accounting offices were not well maintained. Financial records (bank statements, invoices, tax returns, and other financial records) and other mail and papers were piled high on each and every flat surface and in no discernable order. Much of what the Trustee found upon her appointment was very dated. With the assistance of certain of the Debtor's former employees and her professionals, the Trustee was able to access the Debtor's accounting program(s) although these too have proved to be unreliable. Although the Trustee has made reasonable efforts to ensure the accuracy and completeness of the Debtor's financial information where possible, inadvertent errors or omissions, as well as the discovery of conflicting, revised, or subsequent information, may cause a material change to the Schedules and Statements.

The Trustee and her employees, agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided in the Schedules and Statements and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained in the Schedules and Statements. Except as expressly required by the Bankruptcy Code, the Trustee and her employees, agents, attorneys and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided in the Schedules and Statements or to notify any third party should the information be updated, modified, revised, or re-categorized. The Trustee, on behalf of herself, her employees, agents, attorneys, and advisors disclaim any liability to any third party arising out of or related to the information contained in the Schedules and Statements and reserve all rights with respect thereto.

The Schedules and Statements have been signed by the Trustee. In reviewing and signing the Schedules and Statements, the Trustee relied upon the Debtor's books and records and on the efforts of her agents and professionals. The Trustee has not (and could not have) personally verified the accuracy of the Debtor's books and records, including, for example, the amounts owed to creditors and their addresses.

Global Notes and Overview of Methodology

1. **Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled with the Debtor's financial statements (whether publicly filed or otherwise). Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment.
2. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Trustee reserves all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to any claim (“Claim”) description, designation, dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; subsequently designate any Claim as “disputed,” “contingent,” or “unliquidated;” or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Trustee that such Claim or amount is not “disputed,” “contingent,” or “unliquidated.” Listing a Claim does not constitute an admission of liability by the Trustee. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtor's chapter 7 case, including, without limitation, issues involving Claims, substantive consolidation, defenses, equitable subordination, recharacterization, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code, and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Trustee shall not be required to update the Schedules and Statements.

3. **Global Notes.** These Global Notes are in addition to any specific notes set forth in the Schedules and Statements. The fact that the Trustee has prepared a Global Note with respect to a particular Schedule or Statement and not as to others does not reflect and should not be interpreted as a decision by the Trustee to exclude the applicability of such Global Note to any or all of the Debtor's remaining Schedules or Statements, as appropriate. Disclosure of information in one Schedule, one Statement, or an exhibit or attachment to a Schedule or Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or attachment.
4. **Description of Case and "as of" Information Date.** On December 18, 2020, petitioning creditors Jill O'Callahan, as successor in interest to James O'Callahan, Robert M. Keese, John Abassian, Erika Saldana, Virginia Antonio, and Kimberly Archie filed an involuntary chapter 7 bankruptcy petition against the Debtor (the "**Petition Date**"). On January 13, 2021, the Clerk of the Court entered an order for relief against the Debtor.

The asset and liability information provided in the Schedules and Statements, except as otherwise noted, represents the data of the Debtor as of the Petition Date.

5. **Net Book Value of Assets.** Except as otherwise noted, each asset and liability is shown on the basis of net book value of the asset or liability in accordance with the Debtor's accounting books and records. Therefore, unless otherwise noted, the Schedules and Statements are not based upon any estimate of the current market values of the Debtor's assets and liabilities, which may not correspond to book values. It would be cost prohibitive and unduly burdensome to obtain current market valuations of the Debtor's property interests. Additionally, because the book values of certain assets may materially differ from their fair market values, they may be listed as undetermined or unknown amounts as of the Petition Date. Furthermore, as applicable, assets that have fully depreciated or were expensed for accounting purposes may not appear in the Schedules and Statements if they have no net book value.
6. **Recharacterization.** Notwithstanding the Trustee's reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Trustee may, nevertheless, have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtor's business. Accordingly, the Trustee reserves all rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.
7. **Real Property and Personal Property—Leased.** In the ordinary course of its business, the Debtor leased real property and various articles of personal property, including, fixtures, and equipment, from certain third-party lessors. The Trustee has made reasonable efforts to list all such leases in the Schedules and Statements. The Trustee has made reasonable efforts to include lease obligations on Schedule D (secured debt) to the extent applicable and to the extent the lessor filed a UCC-1. However, nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether to assume and assign or reject such lease or whether it is a true lease or a financing arrangement).

8. **Insiders.** For purposes of the Schedules and Statements, “insider” shall have the applicable meaning as set forth in Bankruptcy Code Section 101(31).
9. **Intellectual Property Rights.** The exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.
10. **Executory Contracts and Unexpired Leases.** The Trustee has not necessarily set forth executory contracts and unexpired leases as assets in the Schedules and Statements, even though these contracts and leases may have some value to the Debtor’s estate. To the extent known, the Debtor’s executory contracts and unexpired leases have been set forth in Schedule G.
11. **Classifications.** Listing a Claim or contract on (a) Schedule D as “secured,” (b) Schedule E/F part 1 as “priority,” (c) Schedule E/F part 2 as “unsecured,” or (d) Schedule G as “executory” or “unexpired,” does not constitute an admission by the Trustee of the legal rights of the claimant, or a waiver of the Trustee’s rights to recharacterize or reclassify such Claims or contracts or leases or to exercise her rights to set off against such Claims.
12. **Claims Description.** Schedules D and E/F permit the Trustee to designate a Claim as “disputed,” “contingent,” and/or “unliquidated.” Any failure to designate a Claim on the Debtor’s Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Trustee that such amount is not “disputed,” “contingent,” or “unliquidated,” or that such Claim is not subject to objection. Moreover, listing a Claim does not constitute an admission of liability by the Debtor.
13. **Causes of Action.** Despite the Trustee’s reasonable efforts to identify all known assets, the Trustee may not have listed all of the Debtor’s causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Trustee reserves all rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-Claim, counter-Claim, or recoupment and any Claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law, or in equity, or pursuant to any other theory of law (collectively, “**Causes of Action**”) it may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action.
14. **Litigation.** The Trustee has made reasonable efforts to accurately record litigation actions (collectively, the “**Litigation Actions**”) in the Schedules and Statements to which the Debtor is party. The inclusion of any Litigation Action in the Schedules and Statements does not

constitute an admission by the Trustee of liability, the validity of any Litigation Action or the amount of any potential claim that may result from any claims with respect to any Litigation Action, or the amount and treatment of any potential claim resulting from any Litigation Action currently pending or that may arise in the future.

15. Summary of Significant Reporting Policies. The following is a summary of significant reporting policies:

- a. Undetermined or Unknown Amounts. The description of an amount as “unknown,” “TBD” or “undetermined” is not intended to reflect upon the materiality of such amount.
- b. Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- c. Liens. Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

16. Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.

17. Confidentiality. There may be instances where certain information was not included or redacted due to the nature of an agreement between the Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or to protect the privacy of an individual, including minors. The omissions and redactions are limited to only what is provided under the Bankruptcy Code and/or Bankruptcy Rules and is necessary to protect the third party and individual, including minors, and will provide interested parties with sufficient information to discern the nature of the listing. The Trustee has made reasonable efforts to ensure that confidential information is protected. To the extent that confidential information was inadvertently disclosed, the affected party should contact the Trustee or her counsel immediately. The contact information for the Trustee and her counsel can be found on the Home page at www.donlinrecano.com/gk.

18. Global Notes Control. If the Schedules and Statements differ from these Global Notes, the Global Notes shall control.

Specific Disclosures with Respect to the Debtor's Schedules

Schedule A/B. All values set forth in Schedule A/B, to the extent known, reflect the book value of the Debtor's assets as of the Petition Date, unless otherwise noted. However, in most circumstances, the values are listed as unknown. The Trustee has attempted to ensure that the scheduled information is accurate and complete based upon available information at the time of preparation.

Schedule D.

Nothing in Schedule D shall be construed as an admission by the Trustee of the legal rights of the claimant or a waiver of the Trustee's right to recharacterize or reclassify such Claim or contract. The Trustee has not included on Schedule D parties that may believe their Claims are secured through setoff rights, letters of credit, surety bonds, or inchoate statutory lien rights.

Finally, any description of any lien or of the Debtor's property that is subject to a lien that is included in Schedule D is not an admission by the Trustee of the validity or the enforceability of the lien. The descriptions included in Schedule D are derived from the various filings that record a creditor's alleged interest in the Debtor's property. The Trustee reserves all rights to challenge these interests in connection with the Chapter 7 Case.

Schedule E/F. The Debtor has used reasonable efforts to report all general unsecured Claims against the Debtor on Schedule E/F, based upon the Debtor's books and records as of the Petition Date. There may be instances where certain information was not included or redacted to protect the privacy of an individual, including minors. The omissions and redactions are limited to only what is provided under the Bankruptcy Code and/or Bankruptcy Rules and is necessary to protect the individual, including minors. The Trustee has used her best effort to redact the names necessary to protect certain individuals and minors. To the extent that the Trustee inadvertently disclosed such information, that person or minor (or their representative) should contact the Trustee.

Schedule G. The Trustee hereby reserves all rights to (i) dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and (ii) amend or supplement such Schedule as necessary. Furthermore, the Trustee reserves all of its rights, claims and causes of action with respect to the contracts and agreements listed on the Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or an unexpired lease.

Specific Disclosures with Respect to the Trustee's Statements

Statement 3. Statement 3 includes any disbursement or other transfer made by the Debtor within 90 days before the Petition Date except for those made to insiders (which payments appear in response to Statement question 4), employees, and bankruptcy professionals (which appear in Statement 11 and include, if known, any retainers paid to bankruptcy professionals).

Statement 7. Any information contained in Statement 7 shall not be a binding representation of the Debtor's liabilities with respect to any of the suits and proceedings identified therein.

The Trustee used reasonable efforts to identify all pending litigation and assign appropriate descriptions thereto. In the event that the Trustee discovers additional information pertaining to these legal actions identified in response to Question 7, the Trustee will use reasonable efforts to supplement the Statements in light thereof.

Statement 30. Unless otherwise indicated in the Trustee's specific response to Statement 30, the Trustee has included a comprehensive response to Statement 30 in Statement 4.
